Press release

Commissioner of Railway Safety inspected new BG line from JAGIROAD to DIGARU of DIGARU-HOJAI DOUBLING project

Maligaon, 16th October, 2020,

N.F.Railway Construction Organisation has recently achieved a major achievement in constructing 25.62 KM long new B G double line between Digaru and Jagiroad in Lumding division .

Mohammad Latief Khan, Commissioner of Railway Safety, N F Circle, Kolkata inspected the newly constructed broad gauge (BG) line from Digaru to Jagiroad under the Lumding Division on October 10th of 2020.

At first he conducted a motor trolley inspection of the line from Jagiroad to Digaru and then a speed train trial run upto speed of 120km per hour from Digaru to Jagiroad for opening of the section for passenger traffic.

During the inspection Shri Khan was accompanied by Shri HS Yadav, Chief Administrative Officer-1, Shri M S Chauhan, Chief Administrative Officer-2, N F Railway (Construction), Shri B N Bhaskar, Chief Engineer/Construction-1 besides other Railway officials.

During the inspection safety rules were strictly followed as per the guide lines in view of the pandemic of COVID-19.
