Foreword

26th October 2017

Ideally each official should have full administrative and financial authority over matters in his domain of accountability. Unfortunately, however over a period of time, and spurred by a system based on mistrust, disempowerment of officials to an extent where almost everyone feels helpless has emerged as a universal scenario. This situation needs to be corrected.

While it would be sometime before an ideal system can emerge, we want to move forward in the direction of giving unbridled authority to field units to enable them to deliver. And therefore this "DOP" that is symbolic of the change that all of us wish to usher. And this shall not be the end either, delegations both financial and administrative would continue till we are able to bring a holistic balance between authority and accountability and in the process, enable delivery in an efficient and simple manner.

Needless to add that authority in its wake brings accountability, and a dim view would therefore be taken of any misuse thereof.

The transformation cell has done a remarkable job in ensuring these delegations in a short time frame. I expect them to continue to work with the same zeal in our mission to usher in reforms in our staffing, processes and structures based on trust, empowerment and concern for HR.

I hope these delegations would enable the field officers to raise the bar higher and higher.

(Ashwani Lohani)
Chairman, Railway Board

Preamble

The Model Schedule of Power (SOP) document is intended to bring in uniformity in delegation of financial and administrative powers across the Zonal Railways and Production Units (to the extent applicable) and empower PHODs/CHODs and DRMs, including the field officers while leaving ample scope for the GMs to add or modify provisions to suit the local conditions within the overarching powers delegated to them.

The Model SOP has been prepared by adopting the base template of South Central Railway, and further incorporating the best practices existing in the SOPs of various Zonal Railways. The powers delegated to GMs/DRMs vide recent Railway Board Letter No 2017/Trans/01/Policy dated 18.10.2017 have also been included in this Model SOP.

This Model SOP covers Works Matters, Medical Matters, Stores Matters, Commercial Matters, Establishment Matters and Miscellaneous Matters including IT, RPF, PR etc. It may be seen that powers delegated to PHOD are same as that to CHOD and similarly the powers delegated to DRMs are generally same for CWMs. The Station Directors and the Administrators of the Central Hospitals, both in JAG/SG, will exercise same powers as that available to Branch Officers in the Divisions.

The Model SOP on Security Matters prepared by a Committee headed by CSC/NER has been circulated to all Zonal Railways for their comments and will be finalized subsequently.

This is the first time that a Model SOP has been issued from Railway Board, which will be modified from time to time based on feedback from the Zones/Divisions

Execution of quantities beyond 150% of the overall agreement value should not be permitted and, if found necessary, should be only through fresh tenders or by negotiating with the existing contractor, with PFA's concurrence and personal sanction of General Manager.</p> <p>10. The limit for varying quantities for minor value items shall be 100% (as against 25% prescribed for other items). The aspect of vitiation of tender with respect to variation in quantities should be checked and avoided. In case of vitiation of tender (both for increase as well as decrease of value of contract agreement) sanction of competent authority as per single tender should be obtained.</p> <p>17. 	(N) Refixation of delivery period	Full powers up to their power of acceptance						1. Para 445-S 2. Finance concurrence is not required
	<p>NOTE:</p> <p>i. (a) Extension of delivery date under item 5(c) may be granted provided that the contract was not accepted against other lower tenders in consideration of the date of delivery and that the delay will not cause loss or damage. A certificate to this effect to be obtained from the indenting officer in case of special purchases. In case any or both of this condition are not satisfied, Finance should be consulted and legal advice, if necessary, taken (Para S-445). However, in contracts valued up to Rs. 1 Lakh not having time preference clause or pre-estimated damages, subject to purchase officers certifying the delay is on account of shortage of raw material, fuel, or power or on account of steep rise in prices of industrial inputs and the supplies are expected within a reasonable time, these powers may be exercised to extend the delivery date up to a maximum of 6 months without liquidated damages. No Finance concurrence or certificate from indenting officer is necessary.</p> <p>(b) In respect of tenders accepted by Railway Board or General Manager, the Controller of Stores (Coordinating HOD) would be the Competent Authority to grant extension in delivery period where the contractor fails to deliver the stores within stipulated period. He will also be the competent authority to impose or waive penalties in such cases, with the concurrence of the Financial Advisor and Chief Accounts officer.</p> <p>ii. In the case of orders valued over Rs.8 Lakhs for non-safety items and Rs.15 Lakhs for safety items - if the proposed extension to delivery date has the effect of shifting the booked liability to a subsequent year, it should be seen that entry is made accordingly in the Funds Register of the Accounts office and in the computerized liability register even at the stage of provisional extension. Rly Bd's Letter no. 88/RS(G)/779/14Pt Dt: 06.01.2017 [Para 2.0 S.No.4]</p> <p>iii. When waiving penalties under item 5(d) the reasons for doing so must be fully recorded on the relevant files and the stores bills forwarded to the Accounts suitably endorsed (Authority: Board's letter No.58/RS(G)/775 dated 5.6.67)</p> <p>iv. C.O.S/C.M.M. may grant extension under item 5(d) in respect of purchases made under the powers of GM/AGM subject to the Indenting Officer's certificate being obtained that no loss on account of late delivery would be sustained. The COS/CMM also has powers in such cases to impose or waive penalties with the concurrence of FA & CAO (Authority: Board's letter No.71/RS(G)/775 dated 17.9.71).</p> <p>v. The liquidated damages leviable as per Indian Railway Standard (IRS) conditions of contract are at the rate of 2 % on the price of the stores (including taxes, duties, freight etc.) for each month or part thereof by which the delivery of stores has exceeded the period fixed for delivery in the contract, subject to a maximum of 10% of the value of the contract or otherwise specified in contract for purchase. According to the guiding principles laid down in Board's letter No.58/RS(G)/775 dated 19.5.67 the quantum of Liquidated Damages recoverable would be - (i) where the loss can be assessed - loss sustained due to delay in supply, subject to the maximum as per contract; (ii) where loss/inconvenience cannot be assessed - Token Liquidated Damages at 10% of the maximum permissible as per the contract; and (iii) if there has been neither loss nor inconvenience – Nil. Calculation of actual loss must consider increase in taxes, duties, freight etc. And also, higher price paid for earlier supply (in case where there is no provision for penal recoveries). If, besides actual loss, there is a component of loss that cannot be assessed or inconvenience caused, Token Liquidated Damages may be levied in addition to the actual loss subject to the maximum as per the contract. (Authority: Board's letter No.58/775/RS(G) dated 4.5.60). Further, as per Board's letter No.2000/RS(G)/779/9 dt 04.03.2008, there should normally be no system of waiver of liquidated damages and imposition of token liquidated damages for delayed supplies in supply contracts. System of waiver of liquidated damages and imposition of token liquidated damages for delayed supplies in supply contracts will strictly be an exception</p>

1. Procurement through Spot Purchase

(Ref: Bd.'s letter no. 2002/RS(G)/779/12 dated 14-12-2011)

Model guidelines/ powers are recommended as below:

1.1 There are occasions to purchase materials on the spot without following the formal tendering system but by calling offers through physical visit of the premises of the firm by the nominated officers. This mode of purchase is commonly known as 'Spot Purchase'.

1.2 Keeping the instructions contained in Rly. Bd's L.No.2002/RS(G)/779/12 dtd. 14/12/2011 in view, the following instructions / guidelines are issued in supersession of all earlier orders issued on this subject.

1.3 Conditions for resorting to Spot Purchase:

1.3.1 The concept of Spot Purchase, for the purpose of purchase, will be followed in very exceptional circumstances and should be supported by proper justification. Invariably the need to resort to spot purchase shall fulfill conditions as laid down under para (a) or (b) below:

(a) Stock Item:

The stock item should be purchased only when the material is out of stock which is affecting train operations/earning of railways and supply against the existing covered dues if any, is likely to take more time and requirement is very urgent which cannot wait for the supplies to be received against the pending orders.

"The certificate to this effect to be recorded by at least the concerned SAG officer of the concerned user department."

(b) Non-stock item:

(i) For purchase of non-stock items where demand could not be foreseen in advance and material is required urgently for safe operation and where cash purchase powers are considered inadequate and emergency purchase through formal invitation of tenders etc., is likely to take considerable time.

(ii) For purchasing of non-stock items which are required occasionally and making the detailed specification for the same is not considered practicable/economical or items of consumable nature where the quality available in the market is rapidly changing hence, it is not possible to finalize the specification and materials can be obtained by personal examination of feel, finish and appearance etc., like furniture, cutleries, linens, carpets and other furnishing items etc.

1.3.2 However, Spot purchase shall not be resorted to, for purchasing such items which have got detailed specifications and drawings and are required to be purchased only from approved sources.

1.4 Procedure for Spot Purchase:

1.4.1 Since Spot Purchase is one of the modes of purchase, therefore, there should be a proper requisition for non-stock items and Emergency Recoupment Memo (ERM)/Red Slip for stock items. The quantity is to be restricted to bare minimum. For stock items, demand may not exceed three months requirement and the same to be adjusted against the immediate ensuing demand.

1.4.2 The proposal for Spot Purchase of 'Non-stock' items shall be submitted for the specific approvals of the authorities detailed in para 13.4.3 below, by the concerned

consuming department after obtaining the concurrence of Associate finance. The proposal for Spot Purchase of 'Stock' items shall be submitted for the specific approvals of the authorities detailed in para 13.4.3 below, by the concerned Purchase officer of Stores department after obtaining the concurrence of Associate finance.

1.4.3 Authorities competent to approve Spot Purchase:

(a) For Field units i.e, Divisions & Workshops:

- (i) Items valuing upto Rs 15 lakh (for both Stock & Non-stock) will require the approval of the DRM/CWM.
- (ii) Items valuing above Rs 15 lakh and upto Rs 25 lakh (for both Stock & Non-stock) will require the approval of the PCMM. The proposal shall be submitted through concerned PHOD.
- (iii) Items valuing above Rs 25 lakh (for both Stock & Non-stock) will require the approval of the AGM (for Open line) and of the CAO(C) for Construction Organization.

(b) For HQRS & Construction Organization:

(i) Items valuing upto Rs 25 lakh:

For Non-stock items: will require the approval of the PHOD of the consuming department.

For Stock items: will require the approval of the PCMM.

(ii) Items valuing above Rs 25 lakh (for both Stock & Non-stock) will require the approval of the AGM (for Open line) and of the CAO(C) for Construction Organization.

1.4.4 After the proposal has been approved by competent authority as mentioned above, proper file will be opened in convener's office against the requisition for Non-stock items and Emergency Recoupment Memo (ERM)/Red Slip for Stock items.

1.4.5 The Spot Purchase would invariably be made by a Spot Purchase Committee (as detailed in para 13.5.1 below) consisting of 03 officers, one from Stores Department (to be nominated by DRM/CWM/PCMM), one from Accounts deptt. (to be nominated by DRM/CWM/FA&CAO) and one from indenting department (to be nominated by concerned co-ordinating HOD/DRM/CWM). The Stores officer will act as the Convenor to the committee for Stock & Non-stock items.

1.5 Level of Committee:

1.5.1 The level of Spot Purchase Committee (SPC) will be as under:

S N	Value of Purchase	Stores Deptt.	Indenting/Consuming Deptt.	Account Deptt.
1	Upto Rs 5 lakh	Sr. Scale officer *	Sr.Scale officer *	Sr.Scale officer *
2	Above Rs 5 lakh & upto Rs 40 lakh	JAG /SG officer	JAG/SG officer	JAG/ SG officer
3	Above Rs 40 lakh	SAG officer	SAG officer	SAG officer

* If Sr. Scale officer is not available, then JAG/SG officer will associate the SPC.

Note:

- (i) If there is more than one item to be purchased at one time, the total value of all the items will be the guiding criteria for deciding the level of the committee and the competent authority to sanction.

(ii) The above composition of SPC will also be applicable for ZTCs and CTIs located within the jurisdiction of the Zone (e.g. for Central Railway, the procedure will be applicable to ZTS/BSL, IRICEN/PUNE & IREEN/NKRD).

(iii) In case of CTIs, the nomination will be done by respective directors & in case of other units, by concerned PHOD/CHOD officer of HQ.

1.5.2 The Spot Purchase Committee will first make a market survey and then duly considering the sources indicated by the indenters, shall obtain quotations from suitable sources and while obtaining the quotations for items to their specification, normal rules laid down for obtaining the quotations (as in the case of cash purchase) will be followed. In conducting their business, the Committee shall give due regard to the Canons of Financial Propriety, while doing Spot Purchase.

1.5.3 Inspection of materials, if required/called for, shall be done by Member of Indenting department or his authorized representative.

1.5.4 The committee will draw proceedings duly covering all the aspects listed below:

- i. Authority for constitution of the Spot Purchase Committee.
- ii. Description of the item
- iii. Tabulation statement
- iv. Brief discussion of the offers obtained.
- v. Recommendations/Acceptance with certification on reasonability of recommended rates.
- vi. Unusual terms & conditions and deviations, if any, accepted.
- vii. Consignee.
- viii. Delivery terms & delivery period.
- ix. Paying authority and bill Passing Officer.

1.5.5 The proceedings of the purchase finalized shall not require any further approval but this will be made available for internal check/audit and the minutes of the committee shall be kept on the file.

1.5.6 All decision in the matter of purchase will be taken by the committee and the decision taken by the committee in regard to purchase will be final. However in case of dissent by any one of the members, the case should be put up to the officer nominating the SPC in case of Division/Workshop and to the concerned CMM (dealing the item) in Stores HQ for SPC of JAG/SG level and to PCMM for SPC comprising of SAG level, for final decision.

1.5.7 Formal communication (in the form of PO or letter) detailing the description/specification of the item, terms & conditions, inspection clause, delivery period, payment terms & paying authority etc shall be issued, duly signed by the convener of SPC for placing order on the firm.

1.5.8 Field Units i.e., Division/Workshops as well as HQRS & Construction organization shall maintain proper record of such Spot Purchase nominated by them.

1.6 Payments:

1.6.1 Cash payment should be avoided, unless payment is made through cash imprest.

1.6.2 Stock Items: Payment to the suppliers may either be made in cash on the spot from cash imprest or through cheque to be issued by Accounts officer. In case of stock items, the cheque/cash payment may be made against a Pay order prepared by the Stores member of the Spot Purchase committee against a proforma invoice. Alternatively, normal payment terms through FA&CAO(S) may be followed depending upon the agreed terms & conditions.

1.6.3 Non-stock items: Payment to the suppliers may either be made in cash on the spot or through cheque to be issued by Accounts officer. In case of cheque/cash payment, the Pay order against a proforma invoice will be prepared by the Indenting department's representative in the Spot Purchase committee. Alternatively, payment through FA&CAO may also be followed depending upon the agreed terms & conditions.

1.6.4 The material purchased will be accounted for as is being done for material received against regular purchase orders. In case of stock items, formal R/Note should be

granted. The R/Note should invariably bear respective Pay Order no. & date if paid through Pay order. The POs for Stock items will be fed in iMMS so that R/Note can be generated by iMMS system.

1.6.5 A report of Spot purchase may be put up to the PHOD/CHOD of concerned department by the convenor of the committee for information, after completion of Spot Purchase i.e., after the receipt of supplies.

1.6.6 The Spot Purchase Committee shall ensure that the purchase is completed within 45 days of appointment of the committee, failing which fresh approval of AGM/PCMM/ CAO(C)/DRM/CWM (as the case may be) should be obtained for purchase of the items through Spot Purchase.

(Ref: Stores Code Para 711-A)

Officers authorised by PHODs of user departments may be permitted to buy goods (Non stock items) available on GeM by placing direct on-line orders upto Rs 25000 in each case. This may be subject to annual ceiling of Rs 10 lakh per department per annum. The officers will have to certify as follows:

"I,...., am personally satisfied that these goods purchased are of the requisite quality and specification and have been purchased from a reliable supplier at a reasonable price."

Note - A demand for goods shall not be divided into small quantities to make piecemeal purchases to avoid procurement through L-1 Buying / bidding / reverse auction on GeM or the necessity of obtaining the sanction of higher authorities required with reference to the estimated value of the total demand.

13. Procurement through Spot Purchase

(Ref: Bd.'s letter no. 2002/RS(G)/779/12 dated 14-12-2011)

Model guidelines/ powers are recommended as below:

- 13.1** There are occasions to purchase materials on the spot without following the formal tendering system but by calling offers through physical visit of the premises of the firm by the nominated officers. This mode of purchase is commonly known as '**Spot Purchase**'.
- 13.2** Keeping the instructions contained in Rly. Bd's L.No.2002/RS(G)/779/12 dtd. 14/12/2011 in view, the following instructions / guidelines are issued in supersession of all earlier orders issued on this subject.

13.3 Conditions for resorting to Spot Purchase:

- 13.3.1** The concept of Spot Purchase, for the purpose of purchase, will be followed in very exceptional circumstances and should be supported by proper justification. Invariably the need to resort to spot purchase shall fulfill conditions as laid down under para (a) or (b) below:

(a) Stock Item:

The stock item should be purchased only when the material is out of stock which is affecting train operations/earning of railways and supply against the existing covered dues if any, is likely to take more time and requirement is very urgent which cannot wait for the supplies to be received against the pending orders.

"The certificate to this effect to be recorded by at least the concerned SAG officer of the concerned user department."

(b) Non-stock item:

- (i)** For purchase of non-stock items where demand could not be foreseen in advance and material is required urgently for safe operation and where cash purchase powers are considered inadequate and emergency purchase through formal invitation of tenders etc., is likely to take considerable time.

- (ii) For purchasing of non-stock items which are required occasionally and making the detailed specification for the same is not considered practicable/economical or items of consumable nature where the quality available in the market is rapidly changing hence, it is not possible to finalize the specification and materials can be obtained by personal examination of feel, finish and appearance etc., like furniture, cutleries, linens, carpets and other furnishing items etc.

13.3.2 However, Spot purchase shall not be resorted to, for purchasing such items which have got detailed specifications and drawings and are required to be purchased only from approved sources.

13.4 Procedure for Spot Purchase

13.4.1 Since Spot Purchase is one of the modes of purchase, therefore, there should be a proper requisition for non-stock items and Emergency Recoupment Memo (ERM)/Red Slip for stock items. The quantity is to be restricted to bare minimum. For stock items, demand may not exceed three months requirement and the same to be adjusted against the immediate ensuing demand.

13.4.2 The proposal for Spot Purchase of 'Non-stock' items shall be submitted for the specific approvals of the authorities detailed in para 13.4.3 below, by the concerned consuming department after obtaining the concurrence of Associate finance.

The proposal for Spot Purchase of 'Stock' items shall be submitted for the specific approvals of the authorities detailed in para 13.4.3 below, by the concerned Purchase officer of Stores department after obtaining the concurrence of Associate finance.

13.4.3 Authorities competent to approve Spot Purchase:

(a) For Field units i.e, Divisions & Workshops:

- (i) Items valuing upto Rs 15 lakh (for both Stock & Non-stock) will require the approval of the DRM/CWM.
- (ii) Items valuing above Rs 15 lakh and upto Rs 25 lakh (for both Stock & Non-stock) will require the approval of the PCMM. The proposal shall be submitted through concerned PHOD.
- (iii) Items valuing above Rs 25 lakh (for both Stock & Non-stock) will require the approval of the AGM (for Open line) and of the CAO(C) for Construction Organization.

(b) For HQRS & Construction Organization:

- (i) Items valuing upto Rs 25 lakh:

For Non-stock items : will require the approval of the PHOD of the consuming department.

For Stock items : will require the approval of the PCMM.

- (ii) Items valuing above Rs 25 lakh (for both Stock & Non-stock) will require the approval of the AGM (for Open line) and of the CAO(C) for Construction Organization.

13.4.4 After the proposal has been approved by competent authority as mentioned above, proper file will be opened in convener's office against the requisition for Non-stock items and Emergency Recoupment Memo (ERM)/Red Slip for Stock items.

13.4.5 The Spot Purchase would invariably be made by a Spot Purchase Committee (as detailed in para 13.5.1 below) consisting of 03 officers, one from Stores Department (to be nominated by DRM/CWM/PCMM), one from Accounts deptt. (to be nominated by DRM/CWM/FA&CAO) and one from indenting department (to be nominated by concerned co-ordinating HOD/DRM/CWM). The Stores officer will act as the Convenor to the committee for Stock & Non-stock items.

13.5 Level of Committee:

13.5.1 The level of **Spot Purchase Committee (SPC)** will be as under:

S N	Value of Purchase	Stores Deptt.	Indenting/Cons u-mining Deptt.	Account Deptt.
1	Upto Rs 5 lakh	Sr. Scale officer *	Sr.Scale officer *	Sr.Scale officer *
2	Above Rs 5 lakh & upto Rs 40 lakh	JAG /SG officer	JAG/SG officer	JAG/ SG officer
3	Above Rs 40 lakh	SAG officer	SAG officer	SAG officer

* If Sr. Scale officer is not available, then JAG/SG officer will associate the SPC.

Note:

- (i) If there is more than one item to be purchased at one time, the total value of all the items will be the guiding criteria for deciding the level of the committee and the competent authority to sanction.
- (ii) The above composition of SPC will also be applicable for ZTCs and CTIs located within the jurisdiction of the Zone (e.g. for Central Railway, the procedure will be applicable to ZTS/BSL, IRICEN/PUNE & IREEN/NKRD).

In case of CTIs, the nomination will be done by respective directors & in case of other units, by concerned PHOD/CHOD officer of HQ.

13.5.2 The Spot Purchase Committee will first make a market survey and then duly considering the sources indicated by the indenters, shall obtain quotations from suitable sources and while obtaining the quotations for items to their specification, normal rules laid down for obtaining the quotations (as in the case of cash purchase) will be followed. In conducting their business, the Committee shall give due regard to the Canons of Financial Propriety, while doing Spot Purchase.

13.5.3 Inspection of materials, if required/called for, shall be done by Member of Indenting department or his authorized representative.

13.5.4 The committee will draw proceedings duly covering all the aspects listed below:

- ii. Description of the item
- iii. Tabulation statement
- iv. Brief discussion of the offers obtained.
- v. Recommendations/Acceptance with certification on reasonability of recommended rates.

13.5.6 All decision in the matter of purchase will be taken by the committee and the decision taken by the committee in regard to purchase will be final. However in case of dissent by any one of the members, the case should be put up to the officer nominating the SPC in case of Division/Workshop and to the concerned CMM (dealing the item) in Stores HQ for SPC of JAG/SG level and to PCMM for SPC comprising of SAG level, for final decision.

13.5.7 Formal communication (in the form of PO or letter) detailing the description/specification of the item, terms & conditions, inspection clause, delivery period, payment terms & paying authority etc shall be issued, duly signed by the convener of SPC for placing order on the firm.

13.5.8 Field Units i.e., Division/Workshops as well as HQRS & Construction organization shall maintain proper record of such Spot Purchase nominated by them.

13.6 Payments:

13.6.1 Cash payment should be avoided, unless payment is made through cash imprest.

13.6.2 **Stock Items:** Payment to the suppliers may either be made in cash on the spot from cash imprest or through cheque to be issued by Accounts officer. In case of stock items, the cheque/cash payment may be made against a Pay order prepared by the Stores member of the Spot Purchase committee against a proforma invoice. Alternatively, normal payment terms through FA&CAO(S) may be followed depending upon the agreed terms & conditions.

13.6.3 **Non-stock items:** Payment to the suppliers may either be made in cash on the spot or through cheque to be issued by Accounts officer. In case of cheque/cash payment, the Pay order against a proforma invoice will be prepared by the Indenting department's representative in the Spot Purchase committee. The R/Note should invariably bear respective Pay Order no. & date if paid through Pay order. The POs for Stock items will be fed in iMMS so that R/Note can be generated by iMMS system.

13.6.5 A report of Spot purchase may be put up to the PHOD/CHOD of concerned department by the convenor of the committee for information, after completion of Spot Purchase i.e., after the receipt of supplies.

13.6.6 The Spot purchase Committee shall ensure that the purchase is completed within **45** days of appointment of the committee, failing which fresh approval of AGM/PCMM/ CAO(C)/DRM/CWM (as the case may be) should be obtained for purchase of the items through Spot Purchase.
