

**NORTHEAST FRONTIER RAILWAY
(CONSTRUCTION ORGANISATION)**

PRESS RELEASE

Dt. 29.03.2019

**NEW BG LINE FROM ALAMGANJ TO BILASIPARA SECTION
INSPECTED BY COMMISSIONER OF RAILWAY SAFETY**

Maligaon, 29th March,2019

The 26.14 Km long Alamganj to Bilasipara section is now ready for traffic. Shri Ramesh Kumar Sharma, Commissioner of Railway Safety, NF Circle, Kolkata inspected the newly constructed section under the Rangiya Division on 27th March,2019

At first he conducted a motor trolley inspection of the line from Alamganj to Bilasipara and then a Speed train trial run from Bilasipara to Alamganj in connection with the opening of the section for passenger traffic.

The newly constructed 26.14 Km long BG line from Alamganj to Bilasipara is a portion of the section of New Maynaguri-Jogighopa New Line Project (288.88 Km). The construction of 178.88 Km falls in Bengal portion has already been completed. At present the work for 47.02 Km from Bilasipara to Abhayapuri is going on satisfactorily and it is expected the entire project will be completed within 2020.

The CRS , NF Circle was accompanied by Shi Mohanlal, Chief Administrative Officer/Con-2, Shri Ravilesh Kumar, DRM/Rangiya, Shri Anil Kumar, Chief Engineer/Con-5, and other Senior Railway Officials of both N.F.Railway Open Line & Construction Organisation.

Shri Ramesh Kumar Sharma, CRS, NF Circle and Shri Mohanlal, Chief Administrative Officer/Con-2 are seen conducting the inspection of Alamganj to Bilasipara section of New Maynaguri-Jogighopa New Line Project
